### **Silver Sonnet**

Silver Sonnet is a striking and sophisticated bone china tableware collection representing the current trend of monochrome home accessories. The range consists of a mixture of black and white pieces with a platinum band; the range varies between circular and square plate designs.

This new design has a broad appeal to consumers, the monochrome is right on trend this season and will appeal to the younger consumer but the classic style is timeless and enduring.

The variety of shapes and sizes of the serving items creates a collection that is very versatile and can be combined to create different moods for the tabletop, perfect for a variety of different dining occasions.
